providing CBAM figures. With this in mind, we are reviewing the situation to further understand our reporting obligations.

For suppliers we have that either manufacture or obtain raw material from outside the EU, we have been advised they are working on getting information together and hope to start communicating this to us within the next few months.

Technifast are committed to evaluating our impact on the environment. We recycle all cardboard, paper, oil and swarf. Technifast heavily invested in the installation of solar panels in 2023.

Technifast are in discussions with 3rd party CBAM software developers (Greenly / Carbon Chain)

Exceptions to which CBAM does not apply: -

Consignments with a total value of CBAM goods under €150.00

CBAM does not apply to goods used or moved in the context of military activity
